

## Decontamination Declaration

### Declaration concerning the decontamination and cleaning of equipment and components

To protect our personnel, we require that all equipment or components which come into contact with our personnel be free of biological, chemical, or radioactive contaminants.

We will only accept an order when:

- the equipment or components have been adequately CLEANED and DECONTAMINATED.
- this declaring document has been completed, signed and returned to us by an authorized person.

Please help us in assuring a safe, hazard-free work environment.
